

GROUT ATTACK

Cleans, Whitens and Maintains

Concentrated Formula

REMOVES HARD WATER SCALE, SOAP SCUM, BODY OILS, GROUND-IN GRIME AND MILDEW

Grout Attack quickly penetrates and releases the toughest soils from grout lines and stone surfaces. It removes body oils, soap scum, grease, ground in grime and mildew. Use it on shower floors and walls, restroom floors and walls, kitchen floors and other areas with grouted surfaces. Grout Attack can be used on ceramic, terrazzo, brick pavers, slate and granite.

FEATURES

- Removes hard water scale, soap scum, body oils, ground-in grime and mildew
- Use on shower floors and walls, restroom floors and walls, kitchen floors and other grouted surfaces
- Ideal for ceramic, terrazzo, brick pavers, slate and granite
- Non-fuming, easy-to-use formula
- Concentrated - dilute from 1:4 to 1:32
- Contains malodor counteractant

PROPERTIES

Type	Inorganic Mineral Acid	Storage Stability	Min. 1 Year
Form	Clear Liquid	Freeze/Thaw	Passes 3 Cycles
Odor.....	Wild Berry	Foam Height	Low
Color	Colorless	Actives.....	>20%
Weight per Gallon	9.14 Lbs.	Hard Water Tolerance	Excellent
pH	1.5 - 2.1	*See product label and MSDS for complete use and safety information.	

GROUT ATTACK

PRODUCT SAFETY AND TRAINING

DIRECTIONS

Use on shower floors and walls, restroom floors and walls, kitchen floors and other areas with grouted surfaces. Safe for use on ceramic, terrazzo, brick pavers, slate and granite.

Dilute with water (see below). Apply with a mop or sprayer. Let stand for 10 minutes and agitate with a brush. Pick up excess solution and rinse well with water.

HEAVY SOIL: Dilute 1:4 (32 ounces per gallon).

MODERATE SOIL: Dilute 1:8 (16 ounces per gallon).

LIGHT SOIL: Dilute 1:32 (4 ounces per gallon).

NOTE: Do not use on marble or soft stone.

DISPOSAL: PRODUCT: Dispose of excess product in accordance with local, state and federal regulations.

CONTAINER: Please recycle HDPE container.

CAUTION: May irritate eyes, skin, gastrointestinal and respiratory tracts. May be absorbed through skin with prolonged or repeated contact. Avoid eye and skin contact.

FIRST AID: EYES & SKIN: Flush with water (eyes 15 minutes). **INGESTION:** If swallowed, give 2-3 large glasses of water. Seek medical attention. In all cases if symptoms persist, seek medical attention.

See Product Material Safety Data Sheet Before Using.
