

TKO

Carpet Prespray

*Emulsifies Soil Prior
To Extraction*

**KEEPS CARPETS
CLEANER AND
BRIGHTER LONGER**

Speed extraction times while leaving carpet cleaner and brighter with TKO Carpet Prespray. Special solvents and detergents cut through heavy grease, old shampoo residue and spots prior to extraction or bonnet cleaning. TKO also contains a unique anti-redeposition polymer to keep carpets from graying and resoiling after cleaning.

FEATURES

- Loosens heavy grease, grime and spots prior to bonnet or extraction cleaning
- Contains a unique polymer to keep carpets cleaner and brighter longer by preventing particle soil redeposition and fabric graying
- For regular or stain-resistant carpet
- Safe for advanced Fifth Generation stain-resistant carpets
- Rinses completely when extracted – no residue
- Deodorizes as it cleans, leaving a country fresh scent behind

PROPERTIES

Type	Detergent / Solvent Based	Storage Stability	Min. 1 Year
